BOSOM CHOSEN AS ADVISORY ARCHITECT

Will Aid Committee in Selecting Plans for City Hall Annex.
DESIGNER OF SKYSCRAPERS
All Local Architects to Be Eligible in General Competition for Final Plans for New Municipal Courts Building on Ford Lot.

Alfred C. Bosom, of New York, was last night elected by the special committee in charge of the proposed municipal building on the Ford Hotel site, the advisory architect to prepare preliminary plans for the structure and assist the committee in selecting the competition for designs. He will receive the sum of \$1,000 for his work. The money was made available by an ordinance signed last Monday by the Mayor.

Under the terms of this ordinance, the advisory architect is required to make a survey of the site and subdivide all the data that will be required by the type of building to be erected, for the preparation of competitive plans. He is to advise with the committee as to the type of building to be erected, and to select the winning design.

Mr. Bosom was nominated by Alderman Grady, Councilman Peters, and the First National Bank, Virginia Railway and Power Company, the Travelers' Building and other prominent citizens. He was the designer also of the Monroe Terrace Apartments. The name of another New York architect was proposed, but Mr. Bosom was selected by a unanimous vote.

Councilman Jones thought that an advisory architect should be a local architect, who could at all times be in touch with the committee. It was pointed out by Mr. Peters that no architect accepting the appointment would be eligible to submit designs in the final competition. The decision temporarily delayed the matter of selecting an architect.

Under the terms of this ordinance, the advisory architect is required to make a survey of the site and subdivide all the data that will be required by the type of building to be erected, for the preparation of competitive plans. He is to advise with the committee as to the type of building to be erected, and to select the winning design.

WILL DELAY ACTION

Move to Relocate Precinct Is Postponed Until After Annexation

The proposal to move the voting precinct from the extreme southern end of High Street to a point in the town more centrally located has been abandoned for the reason that the city of Richmond, when the annexation decree becomes effective, and it is likely that two precincts will then be established.

Only two more elections, the election on State-wide prohibition in September and the regular election in November, will be conducted before annexation becomes effective, and it is feared that the regular election in Highland Park will be moved at present some confusion in the voting at these elections.

In order to insure fair treatment to all of the voters in the precinct no longer in effect, the polling place will be made until annexation becomes effective, and in the event that the annexation becomes effective, the polling place will be moved at present some confusion in the voting at these elections.

When Struck by Car. An undertaking wagon, driven by Tom Taylor, 219 East Leigh Street, was struck by a street car at First and Jackson Streets yesterday afternoon, and the negro driver injured. No one was hurt, but the horse was killed and the wagon wrecked, but the horse escaped injury.

NOMINATIONS RETURNED TO MEDICAL COLLEGE

Administrative Board Holds Out for Right to Name Three Doctors.

STAFF TO CONSIST OF TEN
Will Require Personal Attention of Those Elected to Medical Staff of Virginia Hospital—New Rule as to Substitutes.

Following the ruling of Assistant City Attorney George Wayne Anderson yesterday that the staff of the Virginia Hospital is required by ordinance to consist of ten members, and not of twelve members, as the Administrative Board had returned to the executive committee of the Medical College of Virginia for amendment its staff nominations.

Chairman L. Z. Morris, of the executive committee of the Medical College of Virginia, forwarded to the board last Monday the names of ten men as the college nominees for appointment to the staff. The nominees submitted were Drs. Stuart, McGuire, Hume, Taylor, A. Murat Willis, Douglas Vanderhoof, Manfred, Call, Edward McCutcheon, J. A. White, Charles A. Roehrs, Lewis C. Boshier and John P. Winn. Only two of the men, Drs. Robbins and Call, were members of the old City Home staff.

The board withheld confirmation until the board could be secured from the City Attorney as to the size of the visiting staff. Under Colonel Anderson's ruling, the ordinance calls for a staff of ten members, of which the Administrative Board has the power to designate one-fourth, independently of the nomination of the Medical College of Virginia. The board holds the opinion that it is clearly entitled to name three of the ten members of the visiting staff. In accordance with this view, the college nominations were returned yesterday, with the request that an amended report be submitted, naming only seven physicians.

WILL REQUIRE PERSONAL

SERVICE OF PHYSICIANS

An order was at the same time entered by the board, requesting the executive committee of the Medical College of Virginia to agree to the following rules adopted by the board as an expression of its opinion:

"The members of the visiting staff of the Virginia Hospital, on acceptance of such appointment to the staff, agree to devote their entire time and attention to the duties pertaining to such an appointment during their term of service.

An order was entered requiring the superintendent of the Virginia Hospital to report to the Administrative Board within twenty-four hours of its occurrence any change in the personnel of the hospital force.

WILL VISIT CAMP

Governor Stuart, as Commander-in-Chief of the Troops, will visit the camp of the State troops at Gordonsville today. He will be accompanied by the officers of the intended visit, and the Adjutant General, who will be in charge of the reception of the commander-in-chief of the Virginia regiments of the National Guard, and being rushed forward in the morning. The troops will be inspected by the executive on the parade grounds of the camp. Practically the full brigade will be marched to the station to meet Governor Stuart and escort him to the camp grounds.

Hill Secures Incorporation Papers. James T. Hill, of Richmond, incorporated himself yesterday by obtaining a charter from the State Corporation Commission to carry on a wall paper and paint business in this city. The authorized capital of James T. Hill, Incorporated, is from \$1,000 to \$10,000. The officers named in the application for charter are James T. Hill, president and treasurer, and Julia M. Hill, vice-president and secretary, both of Richmond.

SMOOTH PAVING ORDERED FOR SOUTH RICHMOND

Contract Goes to Atlantic Bitulithic Company, the Lowest Bidder.

TO USE ASPHALTIC CONCRETE
Type of Paving Selected Was Recently Subject of Sharp Controversy, When Board Ordered Bitulithic at Higher Price.

The Administrative Board awarded yesterday a contract for paving with asphaltic concrete Porter Street, between Twelfth and Fourteenth Streets, and Twelfth Street, between Hall and McDougal Streets. The company submitted a bid of \$15.58 a square yard, and was given the contract because it was the lowest bid.

Asphaltic concrete is the paving which formed the subject of a heated controversy last March, when the Administrative Board let contracts for the smooth paving on the north side of the river. The new ordinance, which was passed by the board, required the use of asphaltic concrete at a price of \$18.67 a yard. At the time the board awarded a contract for \$25.56 a yard to the Atlantic Bitulithic Company.

WAS RECENTLY SUBJECT OF SHARP CONTROVERSY

The board was widely criticized for choosing bitulithic instead of asphaltic concrete, which could have been laid at a saving of about \$4,000. In the opinion of the City Engineer and Henry E. Beck, the asphaltic concrete paving license which the law demands when the board's decision was that asphaltic concrete was a comparatively new paving, and that it was unwilling to adopt it until it was thoroughly tested.

Examination made recently by the City Engineer of the asphaltic concrete paving laid on Meadow Street revealed the fact that it was in every way satisfactory. In the competition for the smooth paving bids were invited for bitulithic, asphaltic concrete and asphalt block, and asphaltic concrete was selected because the money available for the work would not have permitted the paving of the area selected with the higher priced paving.

The paving on the Southside will be laid in conformity with the specifications of the City Engineer, upon which the bids were based. The Central Construction and Supply Company was again bidder for asphaltic concrete, and offered to lay the paving for \$18.67 a square yard, using Mexican asphalt. The Atlantic Bitulithic Company entered a bid of \$15.58 a square yard, agreeing to use Richmond asphalt, and was awarded the contract as the lowest bidder. The contract is worth about \$5,000.

CUPID TRAVELS WITH SUNDAY-SCHOOL PICNIC

John Benjamin Kidd and Mrs. Agnes A. Goodman Married at Buckroe Beach.

CEREMONY IS PERFORMED BY REV. J. T. McGOUGH, of Hampton, and Couple Returns to Richmond on Excursion Train.

They went to Buckroe Beach on a Sunday-school excursion yesterday morning, each bearing a separate and distinctive name, but when they returned last night, the Mrs. Agnes A. Goodman that was, came back as Mrs. John Benjamin Kidd, and seemed happy enough that she had changed her name and had found a life-long partner.

John Benjamin Kidd is a merchant of Richmond, and the bride was formerly a resident of Henrico County. They went down to the seashore on the excursion, and the bride, who was a member of the Sunday-school, and no one seemed to know that there was anything more serious in the air than a happy wedding. The bride, who was a member of the Sunday-school, and no one seemed to know that there was anything more serious in the air than a happy wedding.

Mr. Kidd said in reply to the question, "he had reached the age of forty-four years, and the bride, who is not always necessary to say how old the bride is, but this bride is still in the heyday of youth."

Seaboard Earnings.

Approximate gross earnings of the Seaboard Air Line Railway for the second week in July were \$450,357, as compared with \$414,365 for the same period last year, a decrease of \$35,992.

Child Burned by Acid.

A bottle of carbolic acid was used as a plaything by a young boy of one-year-old negro boy of 1407 Brown Street, with disastrous results yesterday. The child broke the bottle, and the fiery acid flowed over his hands. In his efforts to brush the liquid off, the child wiped his hands over his face and body, and was badly burned. Dr. Gorman, City Hospital ambulance surgeon, treated him, and is of the opinion that he will recover, although painfully burned.

Men's \$7.50 and \$8.50 Linen \$5.75

Crash Suits, Friday's Price

Several hundred Suits will be on Special Sale to-day. Single and Double-Breasted Sacks and Norfolk, for the lean, stout, regular shape and extra size men.

Gans Rady Company

RECOMMENDS NEAR-SIDE STOPPING ORDINANCE

Universal Right of Way for Street Cars Is Given "Decent Burial."

HEARING ON TRAFFIC LAWS

Gunst Substitute Requires Stops on Both Sides at Transfer Points, Thus Preventing Strap-Hanger's Dream of Quicker Transportation.

Following a three-hour hearing on the proposed ordinance amending the present street car and traffic regulations, the Council Committee on Ordinances last night rejected the ordinance giving street cars a universal right of way everywhere in the city, and recommended for passage ordinances providing for near-side stops, and regulating the passing of one car by another.

Commissioner Robert Lecky, Jr., of the Fire Board, and Attorney A. B. Gunst, of the Virginia Railway and Power Company, made a strong plea for the adoption of the three ordinances in the interest of the betterment of the transportation service. The measures asked for, they pointed out, are now in force in every city of Richmond's size in the United States.

ALL THREE WERE ONCE RECOMMENDED

All three ordinances had been recommended to the Council for passage by the same committee at a meeting held two months ago. In the Common Council the measures were scattered in position. The universal right of way ordinance was rejected and the near-side ordinance was amended. Only the ordinance regulating the passing of a standing car by a car in motion ran the gauntlet without change. At the instance of the special committee of representatives from the street car company and the Police and Fire Boards, which drafted the ordinance, the measures were all recommitted in the hope that another public hearing would remove the objections.

Special invitations were issued to members of the Council, and a number of these were in attendance last night. The committee sat for three hours, and listened patiently to an able exposition of the ordinances and the good they are designed to accomplish.

President Peters, of the Common Council, who led the fight against the ordinance, said that the ordinance would be a lower branch of the change proposed by it. At present only street cars that are east or west of the river have the right of way over other vehicles. Vehicular traffic has the right of way over street cars the right of way over all traffic going in any direction.

SAYS MOTORISTS HAVE RIGHTS

Mr. Peters was bitterly opposed to surrendering to the street car company the last traffic right enjoyed by automobiles and other vehicles. He said that he had no objection to the ordinance, but that he did not understand how the change could have occurred, and that he did not know who had made the change. The Justice could not be reached last night, and it was impossible to get a statement from him concerning the misunderstanding.

Samuel Zuker, husband of Marsha Zuker, and father of three of her children, who the woman deserted in 1908, arrived in Richmond yesterday in accordance with the promise he had made the police by telegram. He appeared here to prosecute his wife and Belber for conspiracy to elope with her. The police had arrested the three children taken by his wife when she eloped. Zuker also said that there was a woman called Marsha Zuker, who had been married to him, and that she had stolen jewelry from him at the time of her elopement.

CHANGED DATE OF HEARING

Recognized to appear in Police Court yesterday morning for the hearing. Justice Crutchfield said after court that he did not understand how the change could have occurred, and that he did not know who had made the change. The Justice could not be reached last night, and it was impossible to get a statement from him concerning the misunderstanding.

CHARGE FALSE PRETENSES

The councilman, C. H. Wright, who is charged with obtaining \$7,000 from A. Rose Leigh and \$5 from the Grant Dr. Company under false pretenses, was yesterday continued in the Police Court, after being charged with obtaining \$7,000 from A. Rose Leigh and \$5 from the Grant Dr. Company under false pretenses. Wright was charged with obtaining \$7,000 from A. Rose Leigh and \$5 from the Grant Dr. Company under false pretenses. Wright was charged with obtaining \$7,000 from A. Rose Leigh and \$5 from the Grant Dr. Company under false pretenses.

CONVICTED OF STEALING TROMBONE

F. J. Gray, colored, was yesterday convicted of the theft of a trombone from Arthur Gray, and sentenced to jail for sixty days. The trombone was valued at \$15.

COHN SURRENDERS BOND WITHOUT THE PRISONER

Police Informed That I. Belber Under Arrest Here, Has Left City.

OUTRAGED HUSBAND HERE

Samuel Zuker Seeks to Recover His Three Children—Greatly Disappointed That Man Who Elope With His Wife Has Escaped.

Henry J. Cohn, Superintendent of the City Street Cleaning Department, yesterday morning surrendered the bond of \$100 for the safe delivery to the Police Court of I. Belber, after, according to Cohn's own information, he had learned that the man had slipped town. According to this source, Mr. Cohn visited the house where Belber came to Marsha Zuker, who is alleged to have been living as man and wife, and learned from the woman that the man had left. He immediately returned to the court and surrendered the bond, which was accepted by the Police Court. Cohn said that he was not a party to the elopement, and that he was not a party to the elopement.

The discovery that Belber had left Richmond was made soon after court yesterday morning. It was brought to light by the fact that a woman, who had been living with Belber, had been seen in the city. The Police Court was informed of this, and the bond was surrendered. The Police Court was informed of this, and the bond was surrendered.

Samuel Zuker, husband of Marsha Zuker, and father of three of her children, who the woman deserted in 1908, arrived in Richmond yesterday in accordance with the promise he had made the police by telegram. WOULD SELL CHURCH TO COLORED PEOPLE

Members of the First Baptist Church, Fifth and Leigh Streets, urged the recommendation of an ordinance authorizing the trustees of the church to sell the church property to negroes. Rev. W. T. Hall, the pastor, pointed out that the vicinity is being rapidly settled by colored people, and that the life of the church as a white house of worship was limited in that community. The ordinance was adopted. The committee voted to meet at the site at 5 o'clock Wednesday afternoon and deferred action until that date.

Change Worthless Check.

Robert Gaby, a white man, was last night arrested by Policemen Sweet and Bertucci on a warrant charging him with passing a bad check for \$4 on G. F. Spicer, of 1705 East Franklin Street.
